

Chris, Delivery Driver

Chris has been a dedicated delivery driver for Winkelmann Sons Drug Co since March 2018 . He knows the city well as he attended Saint Mary's High School on Grand Avenue. Sports are a huge passion for Chris, basketball and especially football, a diehard fan of the Green Bay Packers since the late 80's. Travelling is also an activity he enjoys when he is able. When asked, he likes to work for a family owned small business because there are not a lot of employees and his fellow colleagues are great and simply nice. An area of the city one may find Chris is Soulard which is known for great bars, restaurants, and Mardi Gras festivities or Chili's to take part of those spicy shrimp tacos.
