

Murphy, Pharmacy Student Technician

Murphy is a current pharmacy student at the St. Louis College of Pharmacy. When he is not attending classes or doing schoolwork, he helps out at Winkelmann Sons Drug Co and has been doing such since 2017. He is a real outside lover; hiking, camping, fishing or hunting to name a few activities he enjoys during his free time. He is a fan of the St. Louis Blues team and dining at Billie Jeans. When asked about working for a family owned business, he stated it allows him to build relationships with the patients and provide the best patient care without the stress of a chain business. He likes Saint Louis because of the small city feel, while also having so many fun things to do. Murphy says, "Everyone is kind and helpful and there is a real sense of community within the city".
