

Ted, Delivery Driver

Ted has worked as a delivery driver for Winkelmann Sons Drug Co since early 2019. He went to Northwest High School and attended Southeast Missouri University. Some of his hobbies include reading, trivia, live music concerts and driving a Vette on country roads. He feels he is able to provide a service to the neighborhood by delivering them their healthcare needs in a timely, reliable manner. When he is not driving for WSD, he may be at Frankie Gs in Imperial catching a bit to eat, taking in the entertainment on the Riverfront and even Laclede's Landing or rooting on the Cards and Blues teams.
